

All-on-4® Concept 3 DAY CLINICAL COURSE FROM ANALOGICAL TO DIGITAL

www.malocliniceducation.com

COURSE OVERVIEW

- · Re-thinking oral rehabilitation from analogical to digital
- Patient selection and treatment planning
- The esthetic possibilities of the All-on-4® surgical protocol Prosthetic Rehabilitation
- Implant Maintenance
- Live All-on-4® protocol surgeries in the maxilla and/or mandible
- Live Placement of Immediate prosthesis

PARTICIPANTS Highly skilled Specialists with experience in Implantology

DATE APRIL 10-12 | OCTOBER 23-25 2025

PROGRAM DURATION & COURSE FEE 3 Days | 8.925 Euros

ECTS/CERTIFICATION University Diploma: 3,5 ECTS

UCAM – Universidad Católica San Antonio de Murcia

SYNOPSIS

MALO CLINIC Education has created a program that provides the participant with a unique opportunity to understand all surgical alternatives to perform a standard All-on-4® Concept.

The All-on-4[®] concept is one of the breakthroughs in Implant Dentistry, allowing the rehabilitation of the majority of edentulous arches without the need of bone grafting. Created at MALO CLINIC, the All-on-4[®] concept it is backed up by more than 20 years of clinical research with excellent long-term results.1,2

Today, the All-on-4[®] concept is up to date with the digital revolution in Implant Dentistry, allowing to upgrade surgical and prosthodontic protocols following a full digital workflow. In this 3-day course, the participants will gain knowledge on the Analogical workflow, the digital approach through 3D Navigated Surgery, and the Digital Workflow with the use of stackable guides; representing the basis and state-of-the-art approaches to how the contemporary All-on-4[®] Concept is performed. It includes 3 live surgeries, backed up by theory, featuring live demonstrations or hands-on from planning to surgery and hands-on in implant placement (one for each approach)!

BASIC COURSE OUTLINE

LECTURERS: ARMANDO LOPES, DDS, MSC, PHD, ANA FERRO, DDS AND THE MALO CLINIC TEAM

PRE-COURSE

It is mandatory for you to watch the online course for all the theoretical concepts. Bring your questions to the clinical team!

DAY 1 - Analogical

Morning

SURGERY* - All-on-4[®] surgical protocol Discussions, Questions & Answers

Afternoon:

All-on-4[®] HANDS-ON SESSION using a 3D model of a real patient;
